7 August 2014

Dear Parent/Guardian

As parents and teachers we understand the importance of preparing our students for the world of work/education beyond school. With the labour market continuously changing and university costs set to rise, exploring career/employment pathways is most useful. Having clear career aspirations, assists with maintain focus at school and in subject selection.

As part of our Year 9 Care program this term, students will all be involved in career exploration activities. While most of these will be done at school, it is also beneficial to speak with people about their work and to attend events such as Careers Markets.

It is for this reason that we are taking our Year 9 students to the Mackay Careers Market at the Mackay Entertainment and Convention Centre on Wednesday 13 August.

The bus will leave MNBSHS at 11.15am to go to the MECC and will leave the MECC at 1.00pm, giving the students ample time to explore and complete the set activities. The cost of the bus will be $5 and is due to the office by 3.00pm Monday, 11 August.

As this excursion forms part of our care program with pre and post activities associated, it is important that all students be afforded this opportunity.

Please complete the permission form below, the attached medical form, and return to the school office by Monday 11 August, along with $5 for the bus.

Kind Regards

Julie Woods
Guidance Officer

Sian Burrows
Principal
