Daily average \$3019 which is slightly dropped but not unusual for this time of year. It will spike again in term two.

- * We are tracking how many sales a day we are doing and we average around 480/500 per day.
- * We cashed in more rewards points from our milk company last year and got a slow cooker, a Dyson fan and \$300 worth of vouchers from the good guys and JBHifi and House. These have all now arrived.
- * We are continuing to have supply issues and with the increased price in petrol we may see more and more.
- * We have received our Debit cards and are just waiting on the pin numbers to arrive.
- * PGD has mostly been running smoothly. We have had a few instances where staff haven't shown up. We notify exec when this happens.
- * Ange is currently on leave and we have Kellie Pooley working with us to cover. Kellie also works for the uniform shop.
