2017 STUDENT RESOURCE FEE (SRS) & SUBJECT LEVIES FACT SHEET

This school provides all resources necessary for students to complete their chosen course (excluding those listed on the Stationery Lists)

The Resource Fees and Subject Levies are payable now to the school office. Families unable to make payment (in full) now, need to contact the School Business Services Manager (BSM) as soon as possible on 4842 1333 to negotiate an alternative payment arrangement or Centrepay deductions (see over)

Please be reminded of the conditions of the scheme which include:

- All resources remain the property of the school
- Students will be required to replace any books or equipment which they have been supplied with as part of the scheme, which are lost, damaged or stolen during the year
- If a parent/carer who has joined the scheme has not fully paid the fees or, has not made regular payments to their payment plan (as negotiated with the BSM) payment for extra activities will not be accepted. These can include any school activity or purchase which is not curricular related eg school excursions, sport trials/trips, Rock Pop Mime, Graduation/Prom or Senior Jerseys.

The cost to parent/carer for 2017 SRS fees is $220 per student PLUSS any applicable levies associated with your child’s subject selection as calculated using the ‘Elective Subject Levy Calculator’ attached to the ‘2017 Student Resource Scheme (SRS) Participation Form’

As indicated above the total expenditure cost to this school for resources provided to your child/ren through the Student Resource Scheme is greater than the cost to the parent/carer. The school subsidises the difference and only requires the parent/carer to pay $220 out of pocket expense, plus any applicable levies associated with your child’s subject selections.

Please note:- If a student is not eligible for Government Textbook Allowance eg: overseas/adult student or non-permanent resident - they must pay total expenditure cost (as above) plus any electives levies.

SUBJECT LEVIES (Years 9 to 12)

Elective subjects that use consumable items – attract a levy to cover the cost of those resources. The cost of these subject levies are to be added to the $220 SRS fee when a student selects a subject that attracts a levy. There are no additional subject levies for Year 7 or Year 8 students.

You will find a list of elective subjects that attract a levy – and a calculator to assist you with working out the total amount of subject levies your student will owe – attached to the ‘2017 Student Resource Scheme Participation Agreement’ form.

**BOTH** the SRS Participation Agreement Form and the Elective Subject Levy Calculator need to be completed, signed and returned to the School **by Friday the 25**th **November 2016**
**Please Note - If a parent/carer who has joined the scheme has not fully paid fees, or has not made regular payments as per payment plan (negotiated with the BSM) – payments will not be accepted for and students will not be able to participate in non-curricular activities such as school excursions, sport trials/trips, Rock Pop Mime, Graduation/Prom or Senior Jerseys.**
