

2019 STUDENT RESOURCE FEE (SRS) & SUBJECT FEES FACT SHEET

Mackay Northern Beaches State High school provides all resources necessary for students to complete their chosen course (excluding those listed on the Stationery Lists).

Student Resource Scheme and Subject Fees are payable now to the school office. Families unable to make payment (in full) now, please contact a School Finance Officer as soon as possible on 4842 1340 to negotiate a payment plan or Centrepay deductions (see over).

Please be reminded of the conditions of the scheme which include:

- All resources remain the property of the school;
- Students will be required to replace any books or equipment which they have been supplied with as part of the Scheme which are lost, damaged or stolen during the year;
- If a parent/carer who has joined the scheme has not fully paid fees or, has not made regular payments to their payment plan (as negotiated with Finance Officer) - payment for extra-curricular activities will not be accepted. These can include any school activity or purchase which is not curricular related e.g.: school excursions, sport trials/trips, Rock Pop Mime, Graduation/Prom or Senior Jerseys.

STUDENT RESOURCE SCHEME (SRS)

The cost to parent/carer for 2019 SRS fees is \$240 per student PLUS any applicable fees associated with your child’s subject selection as calculated using the ‘Elective Subject Fee Calculator’ attached to the ‘2019 Student Resource Scheme (SRS) Participation Form’

A breakdown of the SRS is as follows:-

INCOME	JUNIOR YEARS 7/8/9/10	SENIOR YEARS 11/12
Textbook & Resource Allowance received (paid to school by govt)	\$125	\$271
Parent Contribution	<u>\$240</u>	<u>\$240</u>
TOTAL INCOME TO THE SCHOOL	<u>\$365</u>	<u>\$511</u>
EXPENDITURE		
Administration of the Student Resource Scheme	\$50	\$50
Reproduced class workbooks and worksheets and teacher-prepared material which compliment and/or substitute for textbooks	\$55	\$55
Student Gold Book	\$15	\$15
Student ID card - for student printing/photocopying and external use (e.g. school transport; student discounts)	\$10	\$10
Student reference material for hire/purchase (e.g. books; audio/video tapes; software)	\$1265 (approx.)	\$1265 (approx.)
Textbooks (electronic & hard copies) prescribed for each core subject (Maths, English, Geography, History, Science) (<i>temporary resource</i>)	\$700 (approx.) <small>(dependent on subject selection)</small>	\$2000 (approx.) <small>(dependent on subject selection)</small>
TOTAL EXPENDITURE COST TO THE SCHOOL	<u>\$2095.00</u>	<u>\$3395.00</u>

As indicated above the total expenditure cost to this school for resources provided to your child/ren through the Student Resource Scheme is greater than the cost to the parent/carer. The school subsidises the difference and only **requires the parent/carer to pay \$240** out of pocket expense, **plus** any applicable fees associated with your child’s subject selections.

Please note: - If a student is not eligible for Government Textbook Allowance e.g.: overseas/adult student or non-permanent resident - they must pay total expenditure cost (as above) plus any electives fees.

SUBJECT FEES (Years 9 to 12)

Elective subjects that use consumable items – attract a fee to cover the cost of those resources. The cost of these subject fees are to be added to the \$240 SRS fee when a student selects a subject that attracts a fee. There are no additional subject fees for Year 7 or 8 students.

You will find a list of elective subjects that attract a fee – and a calculator to assist you with working out the total amount of subject fees your student will owe – attached to the ‘2019 Student Resource Scheme Participation Agreement’ form.

The **SRS Participation Agreement Form** and the **Elective Subject Fee Calculator** need to be completed, signed and returned to the School **by Wednesday 27th February 2019**
