Takings for April/May =
Friday biggest day ever!

Mackay Northern Beaches SHS P&C - Canteen Meeting 10/05/19 – 12:00pm

Present: Nerida Massing, Bronwyn Overall, Sian Burrows, Skye Barron, Ange Hollows, Joelle, Amanda Martin, Heidi Wunderlich and Donna Frost

Happy Birthday Nerida!!

Skye B – suggest to do a **poll** on FB and a note in care rolls – suggestions/ideas of new food items. Feel they need a change and it would be good to get feedback on what they would like.

Skye B – 2 students founding **stealing from fridges in canteen** (lots of discussion)

- Looking at CCTV (Michael W) advised over a period of 3 days incidence occurred. AM & SB to view footage this afternoon
- Sian B – school is dealing with the theft and will have consequence within the school plan (eg Kelly L to work with him; maybe a police officer to have a chat with him)
- Focus on what the canteen can do to prevent this happening again (Smile you are on camera signs; reducing number of students in the canteen at one time; look at adding an extra staff member to assist on duty)

Skye B – Relief staff – Casual Kelly Badke now has a job. Only have one volunteer (Paula). Can we offer her paid work when someone is away and our current staff can't cover it. All agreed.

Bronwyn O – Grant - where are we at with the quotes – need 3. Skye B has requested 3 but only one company has responded. Skye asked about the 3 phase power. Donna F suggested this needs to be included in the quoted price. BO needs to know what equipment and for what purpose to submit on the application.

Skye B – Takings have been down a bit earlier in the term but are back up to normal now.

Skye B – lunch breaks - not always getting them – deliveries arrive during this time or late in the afternoon. **AM & SB stopped at 11:30am to have lunch – worked today**

- **Nerida M** suggested take the breaks at different times. Start one before Ange leaves to get them in while there is someone to cover/help. Trialling this to see how it goes till next meeting. Other option could be to increase staff hours by half an hour to support their breaks.
- **School staff come during Amand/Skye's breaks** – Educate teachers, signs, lock doors during 12-12:45pm, buy blind to cover window – send Sian B information for her to advise staff.

Bronwyn O – QASP network meeting coming up – Amanda and Skye to go – meeting held at school and AM/SB organise it.

Bronwyn O/Sian Burrows – minutes of meeting earlier were more comprehensive – need reports presented to the meeting emailed in prior to the meetings. Skye to organise her report sent in prior to the meetings.

Staff asking Amanda or Skye to take something to P&C meeting! Because they are so involved in the P&C people ask them to ask for stuff at the meetings on their behalf. Suggest a card be done up for AM/SB to give to staff when this happens (Donna to do a card to place in canteen for ladies to hand out).

| Presenter: | Topic: | Time: | Action: <i>(who is to do what as a result of this presentation)</i> |
|--------------|-------------------|---------|---|
| 1. Anthony P | Drone Sponsorship | 10 mins | Certificate courses here – we are the strongest in this field (11 on offer). Cert III in Hosp (almost a chef) & Cert III in Fitness. Current and relevant to get a job after school. Popularity of drones. We would like to offer a Cert III in Remote Piloting Aviation (Drone). With the Cert III will be a pilot of an drone, radio licence, register with CASA, get insurance from them. Really can only give it to 15 students in Senior. Cost of course to Parents \$300, externally it would cost \$4000. Mines, Ergon using drones. No-one else is offering this. BUT really expensive. Using an outside provider. We need a trainer in the school then accessor comes up and then the next course. Need to send someone to Bris to hold the quals. Course/flights/accomm approx. \$5000. To deliver we need 4 drones for students to use plus a few accessories. Need P&C assistance: funds to purchase drone & cost of training from you. Looking a business to purchase one and a grant to get the other one. Tentatively booked someone in June/July holidays (Joe Millen). Warranty on drone – care package \$160 (includes 2 crashes) – 12mth normal warranty. |

| | | | |
|---------------|--|---------|---|
| | | | <p>KC – can kids make their own and use these for practice. Looking at jnr doing this and then feeding into the Cert III. Industrial ones are better eg you can geographically measure stuff. Motion: Bronwyn would like to move a motion for the P&C to support this project. All in favour!</p> |
| 2. Bronwyn | Fundraising Reflection and where to from here? | 15 mins | <p>Goals for P&C: School resources: seating we do every year; walkways need awning of sorts for when it rains; play areas – shading. Currently we have \$50000 to use for the oval seating. Sports equipment – is anything needed. Limited to a certain group. Smaller projects that people can see rather than all projects being large. Trivia - \$1400 Proposed car raffle / Krispy Kremes / Computer – bring in approx. \$2000 each. Car raffle tickets Gambling Grant being applied for. 3 Exec meeting between meetings – these working really well. Things need addressing rather than come to the actual meeting and then</p> <p>Motion: The P&C Exec can approve a \$200 financial request for school based stuff. Not all agreed. Forward planning - Look throughout last year's minutes to get ideas of what money we are up for donating. With P&C Exec meetings – they are all minuted for everyone to see.</p> |
| 3. Sian | Paper Airplane Comp | 2 mins | Provisional donation of prizes – \$10, \$5, \$1 canteen voucher for each year level |
| 4. Bronwyn | Financial Request Limits | 5 mins | Proposing that the exec approve up to \$200? |
| 5. Bronwyn | Athletes Foot school rewards program | 5 mins | P&C to sign up?? - Yes |
| 6. Ash Fergus | Rock Pop Mime | 10 mins | Request for funds for this year. Ash didn't come to the meeting. |
| 7. Joe, Chris | Human Vehicle Challenge | 5 mins | Shell of vehicles. Bearing takes 15hours to build. There is a process to putting it together, as soon as we can. Competition June 9/10. Looking at Junior students, look are some cyclist. We have interest, but not ideal candidates to be the cyclist. Share riding for 18hrs |
