

HPE LESSON HAT POLICY

As we live in North Queensland it is very important that we are sun safe while we are outside. This includes when you have HPE, as our lessons are in the middle of the day which is the most dangerous.

If you forget your hat for your HPE lesson the following consequences will occur:

First time: Will wear a borrowed hat from the HPE Department and have a warning.

Second Time: Will wear a borrowed hat from the HPE Department, complete a lunch time detention and have parents sign the bottom of the detention form.

Third Time: Will wear a borrowed hat from the HPE Department, phone call home and an after school detention.
